Notice – Updates to Essex Region Source Protection Plan and Assessment Report

This notice is to provide information on a series of minor changes made to the Essex Region Source Protection Plan and Assessment Report. These changes were made under various subsections of S. 51(1) of Ontario Regulation 287/07 as described below and were approved by the Source Protection Committee on April 10, 2019 and by the Source Protection Authority on April 11, 2019. Amendments made under s.51(1) must be published with a notice describing the amendment on the Internet as soon as reasonably possible after the amendment is made as per s.51(2). The following changes have been made:

- 1) Updated cover page of the Source Protection Plan to include new logos, both DWSP and ERCA (s.51(1)(2) of O.Reg 287/07)
- 2) Hyperlinks to the ERSPA website updated in the Source Protection Plan and Assessment Report to <https://essexregionconservation.ca/source-water-protection/> (s.51(1)(4) of O.Reg 287/07)
- 3) Hyperlinks to the Tables of Drinking Water Threats updated to <http://swpip.ca/> or <https://www.ontario.ca/page/tables-drinking-water-threats> as applicable (s.51(1)(4) of O.Reg 287/07). This update applies to the Source Protection Plan, Policies and Assessment Report
- 4) Executive Summary, and sections 2.0, 2.4 and 3.2 of the Source Protection Plan updated to include the approval dates of the SPP and AR (s.51(1)(3) of O.Reg 287/07)
- 5) Text in Table 5.2 and sections 2.4 and 5.3 of the Source Protection Plan and text throughout the Assessment Report updated to reflect the previous s.51 update to fuel policies – i.e. changing ‘containing 2% benzene or more’ to ‘containing benzene’ (s.51(1)(6) of O.Reg 287/07).

All of the original documents have been replaced with these updated documents.
